# DOGS ON THE CATWALK

SINCE 2006

## Red Dog Farm Animal Rescue Network

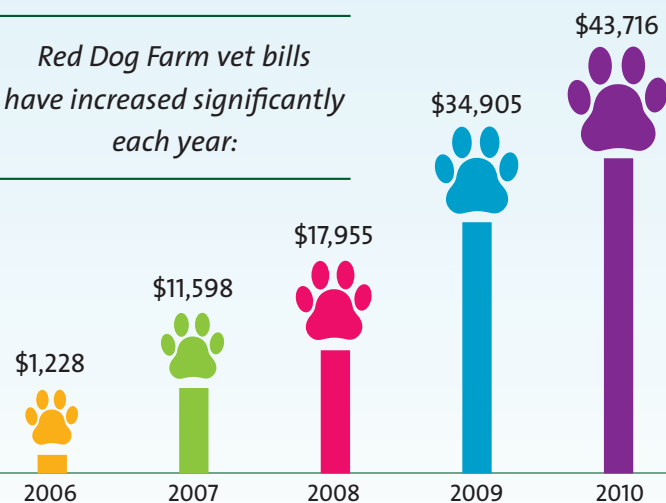

has rescued and rehabilitated over 1,250 neglected, abused or otherwise unwanted animals in and around Guilford County, with particular focus on domestic farm animals.

With the number of animals in need increasing every year, our commitment to help increases as well. All of our animals are fostered while a permanent home is sought. Our foster homes do an excellent job in providing a temporary home. However, Red Dog Farm provides our animals with necessities like veterinary care, food, supplies and emotional support so they will be the loving, healthy animals a permanent family seeks.

### What Red Dog Farm provides for needy animals:

- Veterinary care and check ups
- Spay and neuter operations
- Heartworm treatment
- Emotional and physical rehabilitation for abused, neglected animals
- Vaccines (\$10 and \$20 per shot)
- Microchips
- Food, supplies, and training

Red Dog Farm vet bills have increased significantly each year:

## SUCCESS STORY

### Max the Great Dane

was surrendered to us unneutered, overdue on vaccines, abused, and under socialized. He had spent most of his days in an 8 x 8 dog lot owned by a woman who "loved" him and a man who hated him. He had never had heartworm prevention and was several infested with heartworms. His total care cost \$2,000 and many hours of volunteer time to help him heal. Thanks to fundraisers like Dogs on the Catwalk, we had the resources to treat his heartworms, neuter him, and help him overcome emotional scars from his previous trauma. Today, he is a happy, healthy boy owned by a woman who truly adores him.

## BECOME A SPONSOR

Throughout the year

we have many fundraisers that help provide the financial support for veterinarian costs and supplies we need while the animals are in our care.

Our main fundraiser, Dogs on the Catwalk, is a fun way for people to support Red Dog Farm and enjoy a great night out. Animals that have been adopted as well as current adoptable animals take the stage in the fashion show. Attendees get a front row glimpse at who we help and sometimes see a celebrity dog strutting down the Catwalk too.

### Dogs on the Catwalk Sponsorship Levels:

- \$2,500 BEST IN SHOW**
